

# Schoharie County Information Technology and Services

## Government Application Logging On

---

Schoharie County a system we call Government Applications. You are assigned a Government Application user code and password. This user code allows us to assign you access to various projects created by the IT department. For our web based apps, we have a menu system that will present you with your various projects.

It is located at <https://www2.schohariecounty-ny.gov/GovernmentWebApps/> and looks as follows:

firebird

Question #2: What school did you attend for sixth grade?

Submit Answer

Your temporary password is Sc@Temp#Pass This password is valid for only a limited time, reset your password when you log in. You can change your password under 'User Information'-'>'Change Security'

You can then log back in with the Temporary password.

In order to change your password or your security questions, log in and choose 'User Information'

Select 'Change Security'

A screenshot of the 'User Maintenance' page. The page has a blue header with the text 'User Maintenance'. On the left, there is a yellow sidebar with a circular logo and buttons: 'Main Menu', 'User Information', 'Change Security', and 'Contact Information'. The 'Change Security' button is highlighted. The main content area is divided into two sections. The top section is titled 'Password Change' and contains a 'User: Scott Haverly' label, a paragraph of instructions, a red warning about password length, and three password input fields (Current, New, and Re-enter New) with a 'Save' button. The bottom section is titled 'Security Question Setup or Change' and contains a paragraph of instructions, two sets of questions and answers, and a 'Save' button. The first set of questions is 'What was the make and model of your first car?' with the answer 'firebird'. The second set is 'What school did you attend for sixth grade?' with the answer 'schoharie'.

You can optionally change just your password or your security questions. The 'Save' button works for each panel respectfully.
